

WUNDER KEYS

HANDS-ON THEORY ACTIVITIES

1

Print, cut out, and laminate the Circle of 5ths Wheel.

2

Write C, G, D, A, E, B/Cb, F#/Gb, C#/Db, F, Bb, Eb, and Ab, on small, round stickers. Attach each sticker to the end of a clothespin.

3

Finally, help your students reinforce their understanding of the order of sharps and flats by instructing them to clip each clothespin to the correct section of the Circle of 5ths Wheel.
