

WUNDER[®] KEYS

EAR TRAINING ACTIVITIES

- 1 Sit on the floor with the activity sheet and six coins. Keep the activity sheet out of your **teacher's view**.
- 2 Place a coin over a large 'M' (major) or small 'm' (minor) and then listen as your teacher plays a major or minor third on the piano.
- 3 Lift the coin off of its cloud. **If the letter matches** the interval played by your teacher, place the coin back on its cloud with *heads* facing up. If the letter does not match the interval played by your teacher, place the coin back on its cloud with *tails* facing up.
- 4 Repeat Steps 2 - 3 until there are **three coins** on the activity sheet displaying heads (you win!) or three coins on the activity sheet displaying tails (your teacher wins).
