

WUNDER KEYS

PRIMER NOTE READING

- 1 Place a coin over each bird, concealing the note name.
- 2 Your teacher will show you a card containing a note image. Determine the name of the note and then remove one coin from a bird.
- 3 If the revealed note name matches the note image on the card displayed in Step 2, place the coin and the card to the side. If a match is not found, place the coin back on the bird and the card back in the deck.
- 4 Keep playing until you have removed **three** coins.
