

WUNDER KEYS

- 1 **Sit on the floor** with this game. Place a coin over the pig. Listen as I play *quarter notes*, *half notes*, or both. Move your coin one space to the left if only *half notes* were played, one space to the right if only *quarter notes* were played, and one space forward if both were played.
- 2 I will keep playing musical excerpts until your coin lands on the **mud puddle** (you win) or a **bathtub** (you lose). If, at any point in the game, your coin lands on a blue circle, it is returned to the pig and play continues.
- 3 **Note To Teachers:** This game requires you to improvise musical excerpts containing only *quarter notes*, only *half notes*, or both *quarter* and *half* notes. To provide a rhythmic reference for your students, tap a steady beat with your foot while playing each musical excerpt.
