

WUNDER KEYS

PRESCHOOL PIANO PRACTICE

- 1 I will place a small ball of playdough (or a pom pom) over every circle on the apple tree.
- 2 Listen as I say, "Left Hand" or "Right Hand." Next, using the hand images to help you, hold your hand in the air that matches the name of the hand I called.
- 3 Use the hand that you are holding in the air to pick one apple (one ball of playdough) from the tree and then place that apple over the hand image that matches the name of the hand I called. **Let's keep playing.**
