

- 1 **Sit on the floor** with this book. Place a coin over the pig. Listen as I play *stepping* sounds, *skipping* sounds, or both.
- 2 Move your coin one space to the left if only *stepping* was played, one space to the right if only *skipping* was played, and one space forward if both were played.
- 3 I will keep playing musical excerpts until your coin lands on the **heart** (you win) or a **wolf** (you lose). If, during the game, your coin lands on a red circle, it is returned to the pig and play continues.
