PRIMER PIANO PRINTABLES

LISTENING SKILLS

Can you help Gary, Maxine, and Ruby choose their favorite piano pieces from today's recital?

Maxine is shy. She likes music that is soft. Ruby loves to dance. She likes music that is fast. Gary likes crashing through the forest. He likes music that is loud.

As you listen to our recital, keep your ears open for tunes that Gary, Maxine, or Ruby might enjoy. When you hear one that fits the personality of a character, ask your mom or dad to write the name of the piano piece in a box below the matching picture.

Can you fill in every box with a piano piece name before the recital ends?
