

Today we are sharing educational coloring pages that you can send home with students after they have completed lessons one and two in WunderKeys Primer Piano Book One.

The pages can be used as homework activities to reinforce recognition of finger numbers and quarter notes and half notes.

PRIMER COLORING PAGES

Color each fish body according to its note image. For example, if the note on a fish gets one beat, color its body blue. When the fish bodies are colored, have fun coloring their fins and faces.
