

In today's activity, we have created an innovative approach to note reading where students build a pre-composed Christmas piece by printing the music on the page.

CHRISTMAS NOTE PRINTING

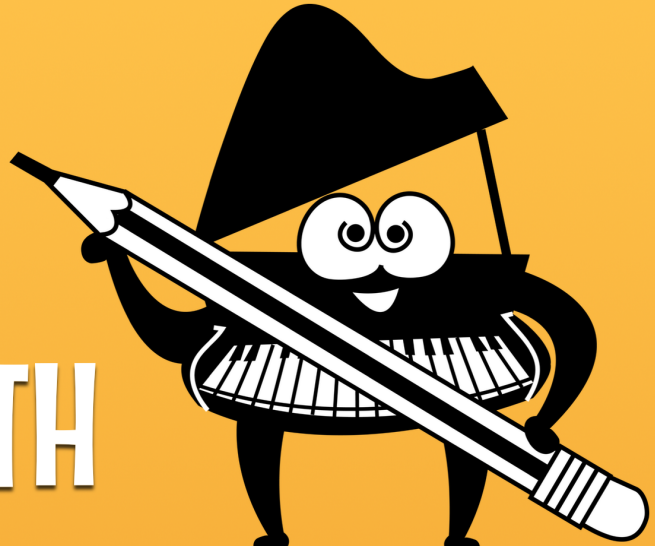

**WUNDERKEYS
XMAS MYSTERY**

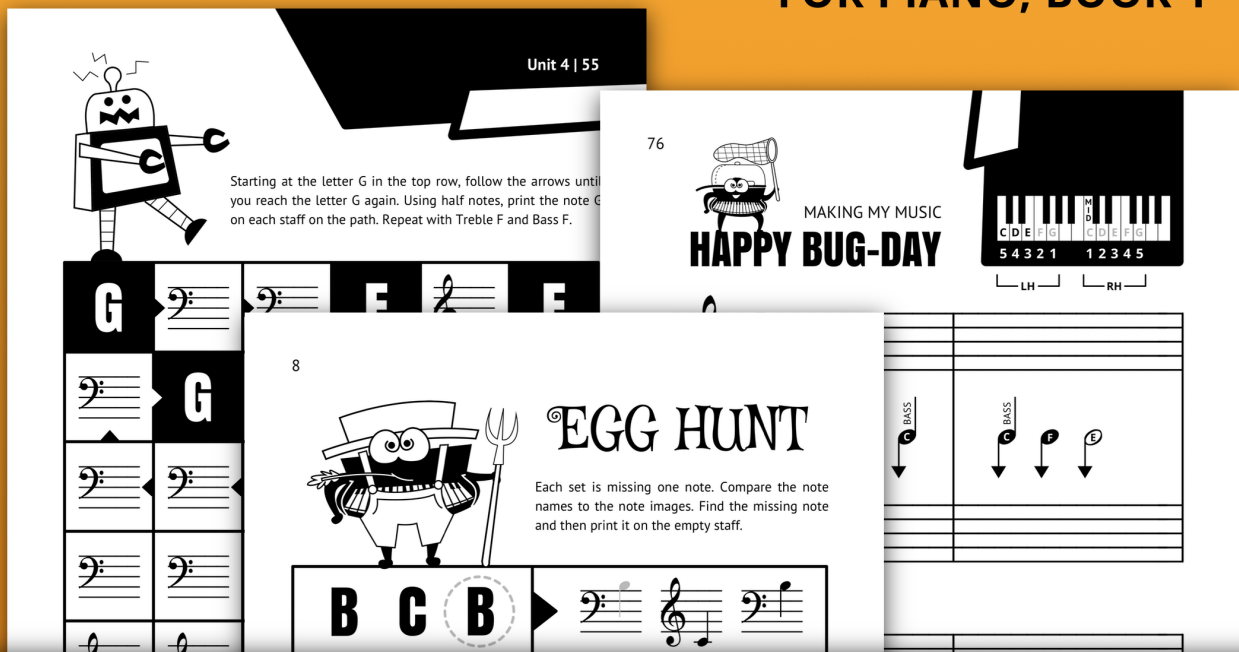

A musical score for a Christmas piece. It consists of two staves: a treble clef staff and a bass clef staff, both in 4/4 time. The treble staff has three notes: a quarter note on G, a quarter note on A, and a quarter note on B. The bass staff has two notes: a quarter note on D and a quarter note on E. The notes are labeled with letters D, E, and B. The notes are connected by a brace on the left side.

WUNDERKEYS XMAS MYSTERY

Musical notation for the first system, consisting of two staves (treble and bass clef) in 4/4 time. The first staff contains three quarter notes: D (up), D (up), and E (up). The second staff contains two quarter notes: D (up) and B (down).

Musical notation for the second system, consisting of two staves (treble and bass clef) in 4/4 time. The first staff contains two quarter notes: G (down) and B (down). The second staff contains two quarter notes: D (up) and D (down).

Let's make some music! Use the note guides found in the middle of the grand staff to help you complete this piano piece. When printing a note on the staff above or below each note guide, make sure your note value (quarter, half or whole) matches the value of the note guide. When you have built this piece, perform it on the piano.

5

A grand staff consisting of two five-line staves. The top staff has a treble clef and the bottom staff has a bass clef. A large brace on the left side groups both staves. In the middle of the grand staff, there are two measures. The first measure contains four note guides: an E note with an upward arrow, another E note with an upward arrow, a D note with an upward arrow, and a B note with a downward arrow. The second measure contains three note guides: an A note with a downward arrow, a D note with an upward arrow, and a G note with a downward arrow.
