

Today we are sharing a primer ear-training game to reinforce aural recognition of stepping and skipping sounds.

## PRIMER EAR TRAINING

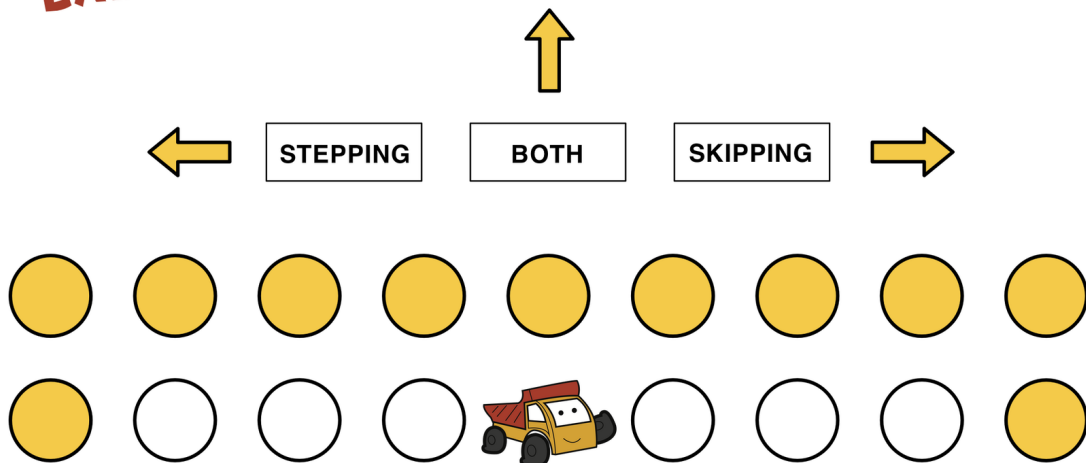

### WunderKeys Ear Training

- 1 Place a coin over the digger. Next, listen as I play *stepping* sounds, *skipping* sounds, or both.
- 2 Move your coin one space to the left if only *stepping* sounds were played, one space to the right if only *skipping* sounds were played, and one space forward if both were played.
- 3 Let's repeat Steps 1 and 2 until your coin lands on the **dump truck** (you win) or a **brown circle** (you lose). If your coin lands on a yellow circle, it is returned to the digger and play continues.

### ear-training EXERCISE

**Note To Teachers:** This game requires you to improvise musical excerpts containing only *stepping* sounds, only *skipping* sounds, or both *stepping* and *skipping* sounds.
