MAGICAL
piano powers!

Below the text and illustration, there is a pink horizontal bar containing seven white circles, serving as punch holes for the card.

UNICORN MUSIC

Do you teach piano students who are in love with unicorns? *The Rainbow Salad Songbook* is a supplementary piano book for late primer piano students that reinforces playing in C position with hands-together stepping and skipping. This exciting resource contains piano songs, note reading games, warm-up exercises, a rhythm activity, a sight reading activity, a practice tracker, and a certificate of achievement.

NOTE READING

Beginning at the unicorn and ending at the bananas, draw a line that passes through seven note circles. In Box 1, write the name of each note in each circle that rests on your path. Next, draw a note path and write the note names in Box 2. Finally, play again.
