Instructions: Our Blizzard Bills Practice Pack is a winter-themed reward incentive that can be used to “purchase” little trinkets from a studio store.

Each Blizzard Bill has the days of the week listed on one side. At home, your student must practice daily and then have a parent initial beside the corresponding day listed on the Blizzard Bill.

If each day has been initialed when your student returns to lessons the following week, the student keeps the Blizzard Bill in a binder (a ziplock baggie does the trick!). As the money grows each week, your student can choose to use the Blizzard Bills to purchase little treats from your studio store.
