POP FUSION SCALE SOLOS

WunderKeys Rock, Tuck & Roll: One Octave Scale Solos in C Major and A Minor is a revolutionary piano book (the first in the series) that turns boring scale exercises into motivating, pop-infused music. Using color-coded, one-octave scales and simple pop chords, it can be used with Level 2B students, intermediate Level 1 students, or anyone who needs a pop-infused approach to one-octave scale practice!
